PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

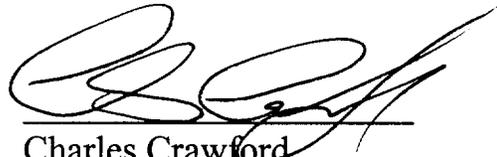

Petitioner respectfully submits that the public interest would be served by allocating Channel 298A to Woodson, Texas, as that community's first aural broadcast transmission service. Woodson is an incorporated city of 205 people with its own post office, mayor, Bobby Mathews, local school system, Woodson Independent Schools and local churches such as Woodson Baptist Church. Woodson is in Throckmorton County which has a population of over 1,600 people.

Petitioner's Comments  
Woodson, Texas  
Page 2

Should this petition be granted, and Channel 298A be allotted to Woodson, Texas Petitioner will apply for Channel 298A, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments, and in the original Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Charles Crawford', written over a horizontal line.
